Brave New World Chapter Questions And  
Answers Brave New World Revisited When The Novel

Brave New World first appeared in 1932, its shocking analysis of a scientific dictatorship seemed a projection into the remote future. Here, in one of the most important and fascinating books of his career, Aldous Huxley uses his tremendous knowledge of human nature to project the future of the world from 19th-century China into the future, and from Shanghai to Chicago, St. Louis, and Budapest. He argues that simplistic views of China and Americanization found in most soundbite-driven media reports serve us poorly as we try to understand China's place in the current world order. ...
